I am honored to lend my voice to the chorus of pastors who have found Darrell Smith to be a warm, engaging worship leader. Darrell came to our church and touched our hearts with the Living Spirit of God as he led us in singing God's praises. His musical abilities are great, and the way he shares them, all are encouraged to offer God a joyful song. I was impressed with the relaxed nature of Darrell's leadership. He is comfortable being God's Man. Darrell not only appears to enjoy his relationship with Christ, he wants to share Him with others. His love is infectious. Darrell will do great things for the Kingdom. I can't wait to see what God has in store for this young man!

I have had the pleasure of working with Darrell for many years in a number of different ministry areas. He has brought our worship to a new level. He has done so with integrity, passion and sensitivity. God has greatly used him in our midst.

Sincerely,

I have known many people over the years that could play the guitar. I've known others who could write songs and sing. But although those people are talented artists, none of them can compare to Darrell Smith. Darrell not only brings the ability to play the guitar and sing with the best of them, he brings a connection to God that permeates his music; a connection that transforms his songs from pieces of art to pieces of worship. The Holy Spirit, I believe, moves each song that he has written or performs. For the past seven years the community of New Heights has had the pleasure and joy of experiencing just that. It is not just a job for him; it becomes another opportunity to serve his King.

Sincerely,

Rev. Michael Crocker
